## ENGRAVER'S DEPARTMENT,

18<sup>th</sup> June 1883.

Sir

In answer to your inquiry, "Whether the force under me is in excess of the requirements of the service." I would respectfully state, That as the force is at present less than has been for many years, and with the demand that is now made upon it, it is only by the most careful management that I am able to execute the work of the department. I do not ask for extra assistance as I am in hopes the nickel Coinage will somewhat decrease which will bring relief to this department.

Very respectfully

Your obedient servant
